Colanthia,

As with the DEC EE/DSM Rider 11 proceeding earlier this year (Docket No. 2019-89-E), DEP will need 5-6 weeks to complete the issuance of a bill insert. Would it be possible for us to receive a revised transmittal requiring the provision of the bill insert to customers by October 4, 2019, and a revised notice with the dates pushed back to accommodate the revised bill insert date?

Thank you,
Sam
